## Thank You for Your Service Veterans!

This weekend we observe the Veterans Day holiday. Veterans Day has its origins in Armistice Day, which was first acknowledged by President Woodrow Wilson in 1919. The first anniversary of the signing of the Treaty of Versailles, ending WWI, took place "in the eleventh hour of the eleventh day of the eleventh month." For that reason, Congress made Armistice Day a national holiday on November 11, 1938.

However, in 1968, the signing of the Uniform Holiday Bill ensured three-day weekends for Federal employees by celebrating four national holidays on Mondays: Washington's Birthday, Memorial Day, Veterans Day, and Columbus Day. Many states did not agree with this and continued to celebrate the holidays on their original dates, causing confusion. Therefore, on September 20, 1975 President Gerald Ford signed legislation returning Veterans Day to its original date of November 11, beginning in 1978.

In honor of all the men and woman who served and continue to serve our great country, thank you!

## PSPRS Briefs County Managers

Jared Smout, the Administrator for the Public Safety Personnel Retirement System (PSPRS), presented to the county managers on Friday on the impacts of the passage of Prop. 125 and the overall health of the three plans they manage.

PSPRS has also unanimously named a new CIO, Mark Steed, after conducting a nationwide search for the right candidate.

## General Election Preliminary Results

Voters made their voices heard on Tuesday during the 2018 General Election. There are still a large number of provisional and early ballots to be processed, but most of the races were decided. The results of the election have not yet been canvassed. The board of supervisors have between 6 to 20 days after a general election to canvass and the Secretary of State must canvass the results by the 4<sup>th</sup> Monday after the election (December 3<sup>rd</sup>). Some election result highlights include:

### Federal Races:

**Senate:** Kyrsten Sinema is leading Martha McSally in the race for Senator Flake's open seat, but it is still too close to be called with only 9,618 votes separating them.

**House:** All the congressional incumbents retained their seats. Greg Stanton (D) won in District 9 (Sinema's vacant seat) and Ann Kirkpatrick (D) won in District 2 (McSally's vacant seat). The 9 member congressional delegation is now composed of 4 Republicans and 5 Democrats.

### Statewide Races:

Republicans won in the races for governor, attorney general, and treasurer. The race for secretary of state and superintendent of public instruction are still too close to call. ### State Legislature:

Two others did not secure sufficient voter support: Apache County's property tax levy override and Pima County's infrastructure bond.
